- Cadmium (ppm): <1
- Arsenic (ppm): <3

The product complies with the requirements of Regulation (EC) No. 1334/2008 on flavourings and certain food ingredients with flavouring properties for use in foodstuffs.

Explanations

The Product

- does not contain any genetically modified (micro)organisms or components and is not produced with the help of genetically modified (micro)organisms.
Its use in the production of foodstuffs therefore does not require labelling in accordance with Regulation (EEC) 1829 and 1830/2003.
- does not contain any of the substances with allergenic effects listed in Food Information Regulation 1169/2011.

The packaging materials used in direct contact with the product comply with the requirements of EU Regulations 10/2011 and 1935/2004 on food products.
